Which product sold the most or least?

top states by profit margin

Is this useful?  

ChemCorp is a Fortune 500 Corporation, the revenue reduced 10%. We focus on customer strategy, market opportunity and product divestment to tackle the issue.

Recommendations: Continue the promotion in the large population states. Expand the market of the Machinery and Industrial Goods Industry. Invest the capital by deposition of chemical A on chemical J and related industry of Medical Equipment, Pharmaceutical, and Biotech industry.
